"The Atlas of Cities is a major contribution to our understanding of the place of cities in today's world. This is a new type of map. It does what words alone cannot do; it makes visible the thick patterns that are cutting across old divides."
—Saskia Sassen, Columbia University and author of Expulsions: Brutality and Complexity in the Global Economy

"Reading the Atlas of Cities is like walking through the world’s great metropolises—something new to ponder around every corner."
—Daniel Brook, author of A History of Future Cities

"The Atlas of Cities is an exhaustive and visually captivating field guide to the past history, present tensions, and future transformation of our planet by humanity’s city builders."
—Anthony M. Townsend, author of Smart Cities: Big Data, Civic Hackers, and the Quest for a New Utopia
