

Bibliography for *Paths Out of Dixie*

This document features most of the sources cited in *Paths Out of Dixie*. The only exceptions are newspaper articles, which are too numerous to include. Below I first list the archival collections consulted, the names of newspapers I drew upon most heavily, and the microform collections used. Next is an alphabetical list of about 1,600 works cited, such as books, articles, manuscripts, governmental reports, private correspondence, party platforms, oral histories, and so on. Last, I list the federal and state court cases appearing in the book. Please email me at rmickey@umich.edu if you would like more information on the sourcing of any particular citation, including newspaper articles.
